## Annual Program Commitment

Anticipated date to implement:

Please indicate which sustainable actions your restaurant plans to implement (select at least three). Write any questions/comments on reverse:

☐

Provide single-use condiments and utensils only upon request (Skip the Stuff)

☐

Switch to reusable utensils and dishes for dine-in customers

☐

Switch to reusable, compostable or recyclable takeout containers

☐

Use refillable condiment bottles instead of single-use packets

☐

Encourage customers, via discount/incentive, to bring their own reusables

☐

Subscribe to local composting and/or recycling services

☐

Eliminate black plastic take-out containers

☐

Implement energy-saving practices (e.g., LED lighting, energy-efficient appliances)

☐

Eliminate single-use plastic straws, stirrers\* or switch to paper straws, bamboo, wood sticks

☐

Other. Please specify:

\*Except upon request for accessibility
