

Earth Friendly Restaurants

Choose any three or more actions below to join this new program. You'll receive a window decal, digital badge and publicity from Sustainable Marblehead.

Skip the Stuff: Provide single-use condiments and utensils only upon request

Offer a discount or incentive for customers bringing reusable cups or containers.

Eliminate black plastic take-out containers.

Use reusable, compostable or recyclable takeout containers.

Eliminate single-use plastic straws, stirrers or switch to paper straws, bamboo, wood sticks (except upon request for accessibility).

Switch to reusable utensils and dishes for dine-in customers.

Use refillable condiment bottles instead of single-use packets.

Subscribe to local composting and/or recycling services.

Implement energy-saving practices (e.g., LED lighting, energy-efficient appliances)
